low-maintenance, and  
healthy to live in.**

VH2001 - VH2003

**48 m<sup>2</sup> [516 Ft<sup>2</sup>] - 72 m<sup>2</sup> [770 Ft<sup>2</sup>]**

Feris Homes: Small Home Series allows new and existing homeowners to easily and affordably construct a new dwelling best suited for their economic needs and space constraints.

Interior space is adaptable to and accommodates a range of options based on preference of kitchen and bathroom style. Choose your finishing packages to fit your lifestyle from compact minimalist to full-sized appliances and lots of counter space.

These designs are modular in nature and multiple units can be linked together to create additional rooms and situated to optimize views from the interior.
